VENETIAN PLASTER SYSTEMS

VELLA PREMIUM PLASTER WAX

Vella Premium Plaster Wax is designed to create a protective seal and add a beautiful luster to venetian plasters. This formulated low odor wax may be used on large areas, leaving a pleasant scent.

DIRECTIONS

Apply Vella Premium Plaster Wax using a sponge applicator or cloth. Cover entire surface area using a circular motion, massaging wax into a dry plastered surface. Polish surface using a soft cloth or a mechanical buffer to achieve desired sheen. A second coat of wax may be applied by sponge applicator, spatula or trowel to increase hardness and shine of plaster. Polish surface to desired sheen.

CAUTION

FLAMMABLE: Keep out of reach of children. If swallowed, do not induce vomiting. Seek medical attention.
